

The Scoop

From Fresh Meals On Wheels
of Sheboygan County

Spring 2021

We nipped, tucked and injected joy to get through the year!

In December, the *Washington Post* reported that elective plastic surgeries were up during the pandemic. Fresh Meals On Wheels indulged in the trend with some significant nipping and tucking!

Our website got a complete makeover (check it out at freshmealsonwheels.org) and almost

everything else at MOW, including meal delivery, fundraising events, wellness checks and office routines received (temporary) facelifts.

Very early on, we moved to a weekly meal delivery

model, while continuing to offer medically-complex therapeutic diets. This enabled us to limit direct contact with clients, most of whom are in the highest risk category. A robust contact tracing process was also implemented. This all felt odd as we have always worked to get as many people as possible on the road and visiting our clients.

We quickly set up a Caring Caller

schedule to replace our daily in-person visits. Most clients have an assigned Caring Caller who checks in by phone several times a week. Some appreciate a quick call to make sure they are doing well, others like to chat a little longer. We also have a group of nursing students from Concordia University-Wisconsin who communicate weekly with a select group of clients.

Doom and gloom got old pretty fast, and we felt the need to inject some joy into everyone's days.

We continued our traditions of delivering birthday cupcakes and cards, and handmade Afghans—and then we took it up a notch.

A client turning 100 had a window visit from a dozen MOW staffers. We waved, sang Happy Birthday from the front yard and delivered balloons and cupcakes to his door.

Our Sidewalk Santa event sent festively dressed volunteers throughout Sheboygan County to spread Christmas cheer and deliver holiday gift bags to clients. Oh, the calls we received before the big day, the anticipation might have been as exciting as the event!

Local donors were super-

generous! Thanks to a local donor, an elaborate Christmas dinner was delivered as well. Clients enjoyed the pampering, and the Santas and elves had a blast!

Since Santas were such a hit, why not Easter bunnies and bonnets? A second gift bag delivery in April included tasty treats and, thanks to a grant from the Green Bay Packers Foundation, fun and interesting items selected to help keep the mind engaged.

Thanks to outstanding community support, we met the challenges presented by the pandemic, and even found some nifty ways to safely inject some fun into our new routine. But we join the rest of the world in seriously looking forward to something resembling normal. We miss seeing our clients and volunteers and having the community engaged in our facility.

Simply put,
we miss you!

Kelly Anderson

Kelly Anderson, CEO

We'd like to say
THANK YOU
 to these generous
 supporters!

This past year brought grief, heartache and struggles unlike those we ever anticipated. Many of us were not able to be with family and friends, or worse, sat helpless as loved ones died alone.

But we also learned the value of leaning on those we trust, filling our hearts with appreciation, compassion and patience, and spreading kindness.

Enjoy a stress-free gourmet meal with Dinner on Wheels A curbside meal pick-up event to benefit Fresh Meals On Wheels

Choose **Brat Manicotti** featuring Miesfeld's brat meat in a creamy vodka sauce ladled over ricotta stuffed manicotti or **Veggie Lover's Bolognese** featuring a robust mushroom and Sartori parmesan cheese sauce on a bed of fettucine.

The generously sized entrees (enough for two) come with a luscious salad, garlic bread and two desserts all for \$50.

Order by Monday, May 10 for pick-up Thursday, May 20 at Fresh Meals On Wheels.

To order or for more information, visit www.FreshMealsOnWheels.org/events.
